

VISUALIS3R

Getting Started Guide

Download · Install · Activate · Upgrade

Visualis3R is a professional 3D visualisation tool for print embellishment — hot foil, spot UV, metallic effects and more. This guide walks you through everything from first download to a fully activated licence.

Platform	macOS 11+ · Windows 10/11
Requirements	Ghostscript (free — see Section 2)
Trial Period	14 days — full access, no watermarks
Support	support@khaosystem.com
Website	v3r.studio

Contents

1	Downloading Visualis3R

SECTION 1

Downloading Visualis3R

Visualis3R is available to download directly from the official website. Always download from the official source to ensure you have the latest version.

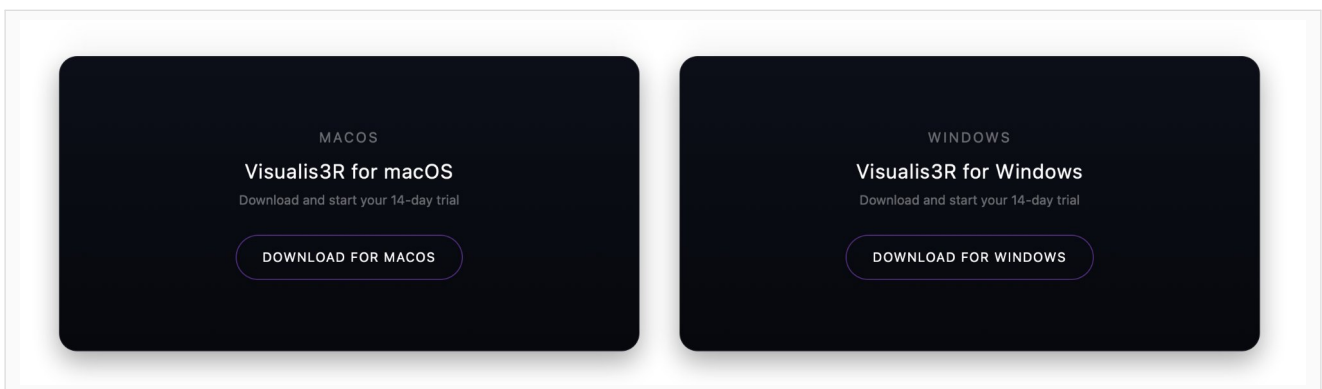

STEP 1

Go to the download page

Open your web browser and visit:

<https://v3r.studio/download>

Click the **Download** button.

v3r.studio/download — macOS and Windows download buttons

STEP 2

Choose your platform

Select the version for your operating system — **macOS** (Apple Silicon or Intel) or **Windows**. The download will begin automatically.

- **macOS users:** If you see a warning that the app is from an unidentified developer, go to **System Preferences** → **Security & Privacy** and click **Open Anyway**. Visualis3R is code-signed and notarized by Khaos Technology Ltd.

SECTION 2

Installing Ghostscript (required)

Visualis3R uses **Ghostscript** to process PDF files. It is free, open-source software that must be installed before Visualis3R can open PDFs. You only need to do this once.

STEP 1

Download Ghostscript

Visit <https://khaosystem.com/gs/> and download the Ghostscript installer for your platform.

STEP 2

Install Ghostscript

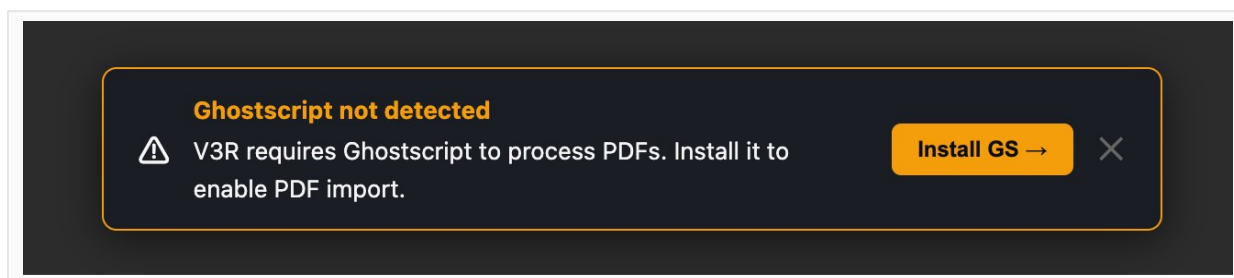

macOS: Open the downloaded .pkg file and follow the installer prompts.

Windows: Run the downloaded .exe file and follow the installer prompts. Accept all default settings.

STEP 3

Verify installation

When you first launch Visualis3R it will automatically check for Ghostscript. If it has not been installed you will see the message shown below.

Ghostscript not detected — click Install GS to be taken to the download page

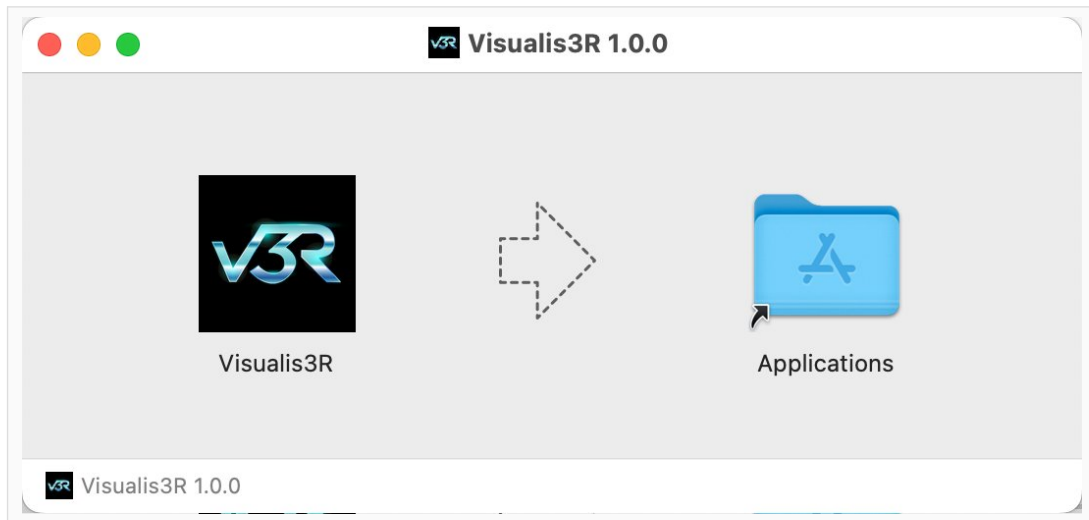

SECTION 3

Installing Visualis3R

STEP 1

macOS Installation

Open the downloaded **.dmg** file. Drag the **Visualis3R** icon into your **Applications** folder.

Drag Visualis3R to the Applications folder

STEP 2

Windows Installation

Run the downloaded **.exe** installer. Follow the on-screen prompts and click **Install**. A shortcut will be added to your Desktop.

STEP 3

Launch Visualis3R

macOS: Open **Applications** → **Visualis3R** or use Spotlight (■ Space).

Windows: Double-click the **Visualis3R** shortcut on your Desktop.

The **License Manager** will open automatically on first launch.

SECTION 4

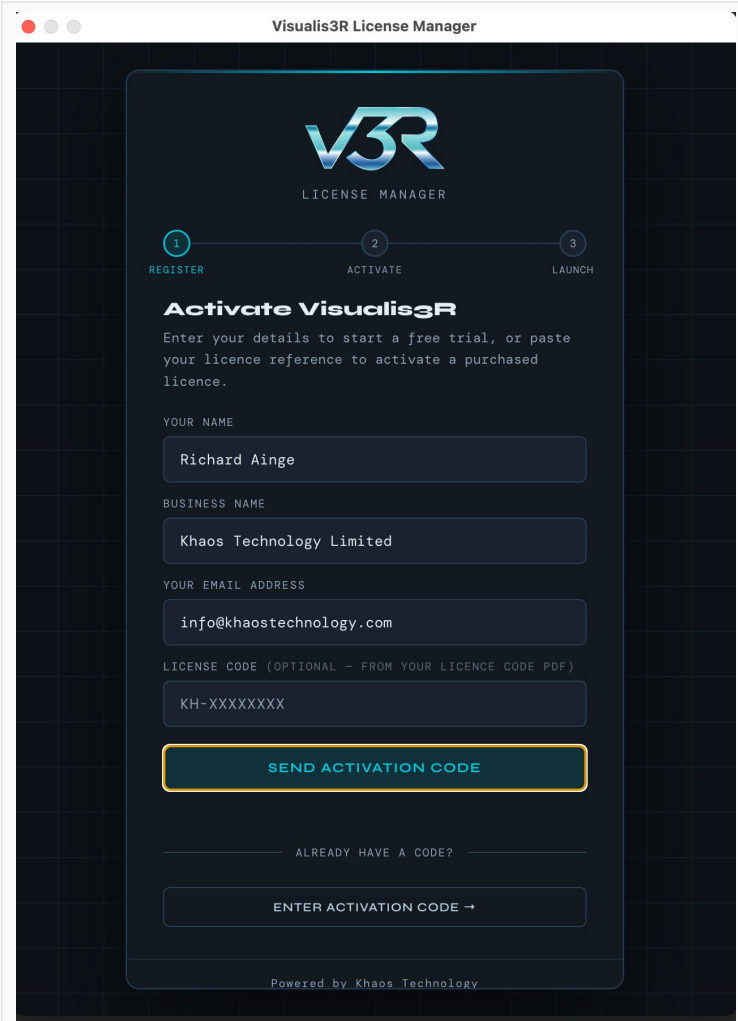

Starting a Free Trial

New users start with a **free 14-day trial** — full access to every feature, no watermarks, no restrictions. Simply register with your name, business name, and email address.

STEP 1

License Manager

When Visualis3R launches for the first time, the License Manager opens automatically. You will see the **Activate Visualis3R** screen shown below.

The screenshot shows a window titled "Visualis3R License Manager". At the top center is the "V3R LICENSE MANAGER" logo. Below the logo is a progress indicator with three steps: 1. REGISTER, 2. ACTIVATE, and 3. LAUNCH. The "REGISTER" step is currently active. The main heading is "Activate Visualis3R". Below this is a sub-heading: "Enter your details to start a free trial, or paste your licence reference to activate a purchased licence." The form contains the following fields and values:

- YOUR NAME: Richard Ainge
- BUSINESS NAME: Khaos Technology Limited
- YOUR EMAIL ADDRESS: info@khaotechnology.com
- LICENSE CODE (OPTIONAL - FROM YOUR LICENCE CODE PDF): KH-XXXXXXX

A prominent yellow-bordered button labeled "SEND ACTIVATION CODE" is located below the license code field. Below this button is a link: "ALREADY HAVE A CODE?" followed by a button labeled "ENTER ACTIVATION CODE →". At the bottom of the form, it says "Powered by Khaos Technology".

The License Manager — Step 1: Register

STEP 2

Enter your details

Fill in the following fields:

- **Your Name** — your first and last name
- **Business Name** — your company or studio name
- **Your Email Address** — a valid email address you have access to

Leave the Licence Code field empty to start a free trial. If you have a Licence Code PDF, enter the KH- code here instead — see Section 8.

STEP 3

Click Send Activation Code

Click the **Send Activation Code** button. An activation code will be emailed to you within seconds.

- Check your **spam or junk folder** if the email does not arrive within a minute. The email is sent from **support@khaosystem.com**.

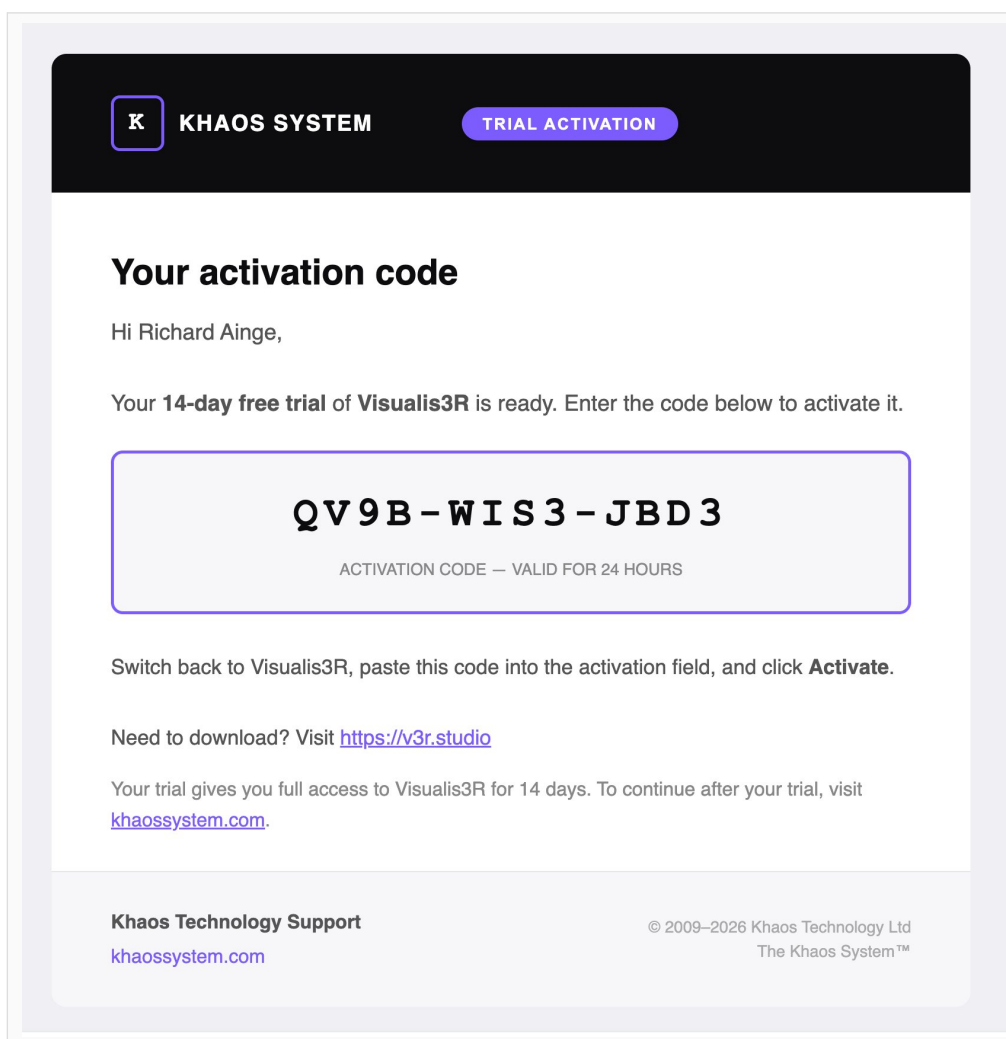

SECTION 5

Activating Your Trial

STEP 1

Open your activation email

You will receive an email from **Khaos System** with the subject "**Start your Visualis3R free trial**". The email contains your activation code in the format **XXXX-XXXX-XXXX**.

The activation email — your code is valid for 24 hours

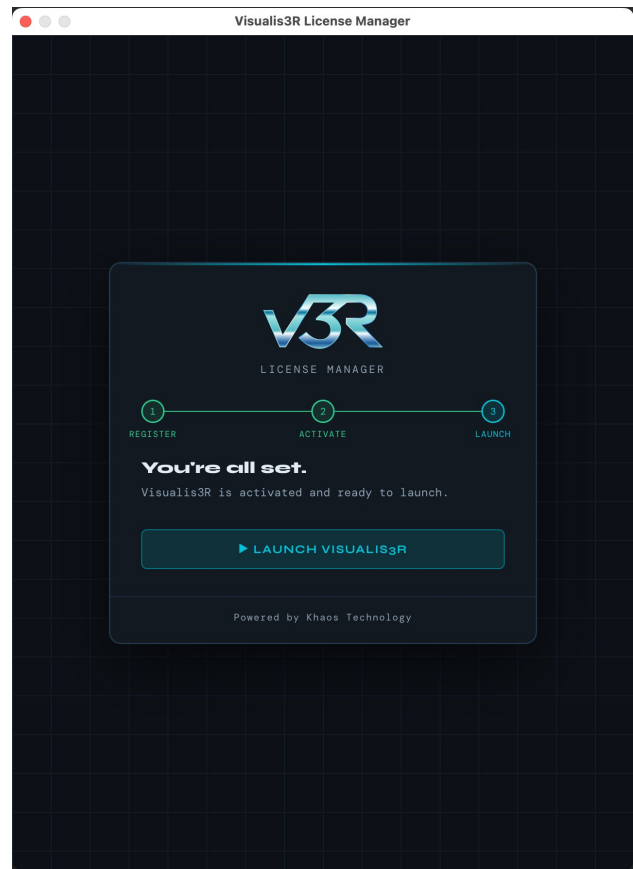

STEP 2

Enter your activation code

Switch back to Visualis3R. You will now be on **Step 2 — Activate**. Copy the code from your email and paste it into the **Activation Code** field.

Step 2 — Paste your code

Step 3 — You're all set

STEP 3

Click Activate

Click the **Activate** button. Visualis3R will verify your code and activate your 14-day trial.

STEP 4

Launch Visualis3R

You will see the **You're all set** screen. Click **▶ Launch Visualis3R** to open the application.

SECTION 6

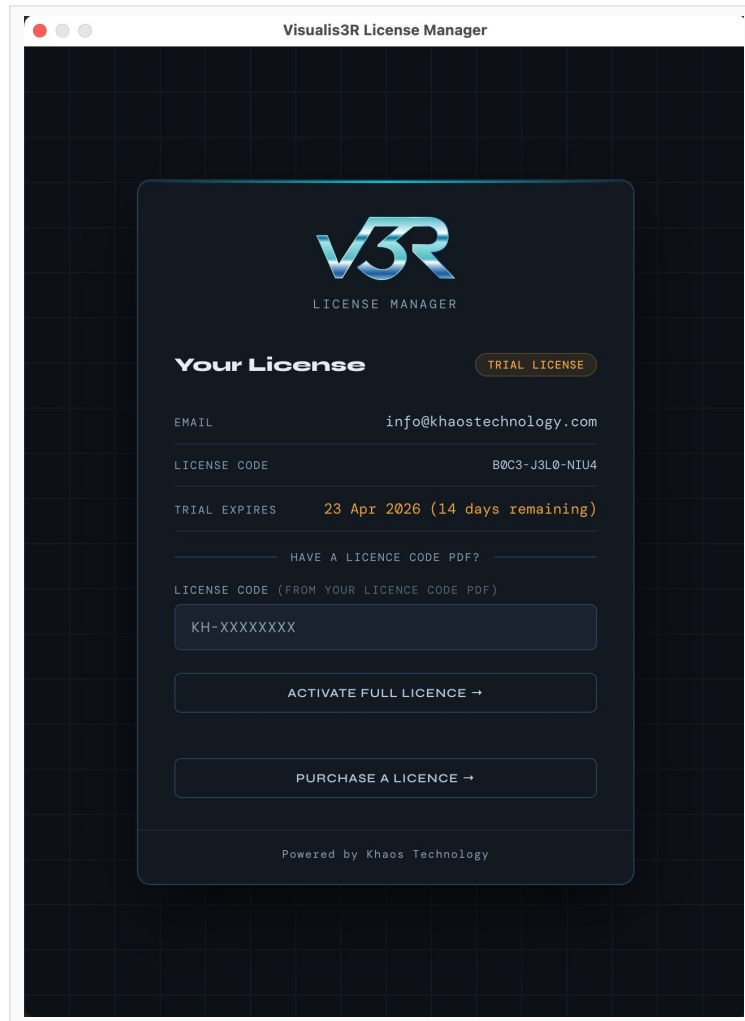

Using Visualis3R During Your Trial

During your trial you have full access to all features.

STEP 1

Check your trial status

Click the **License & Activation** button in the bottom-left sidebar to open the Licence Manager and view your current status, including how many days remain on your trial.

The Licence Manager showing Trial License status and expiry

STEP 2

Open a PDF

Click **Select PDF** in the toolbar to open your artwork file. Visualis3R supports multi-page PDFs with spot colour separations.

- Your trial lasts **14 days** from the date of first activation. To continue using Visualis3R after your trial, purchase a full licence at v3r.studio or contact your distributor.

SECTION 7

Upgrading to a Full Licence

When you are ready to purchase a full licence, you have two options:

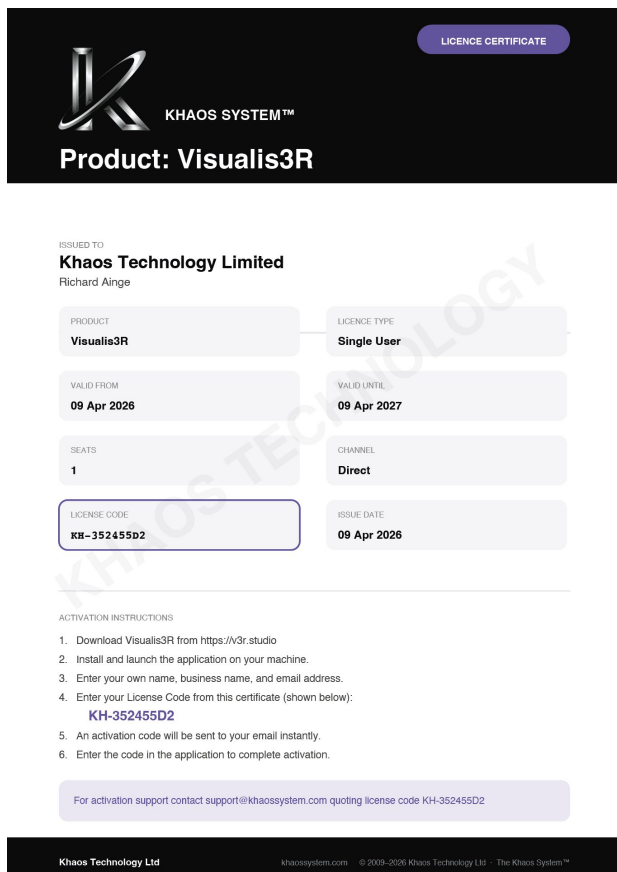

Option A	Purchase directly	Visit v3r.studio and purchase online. Your Licence Code PDF will be emailed to you.
Option B	Via your distributor	Contact your Khaos Technology distributor. They will arrange your licence and send you the Licence Code PDF.

Once you have your **Licence Code PDF**, follow the steps in Section 8 to activate your full licence.

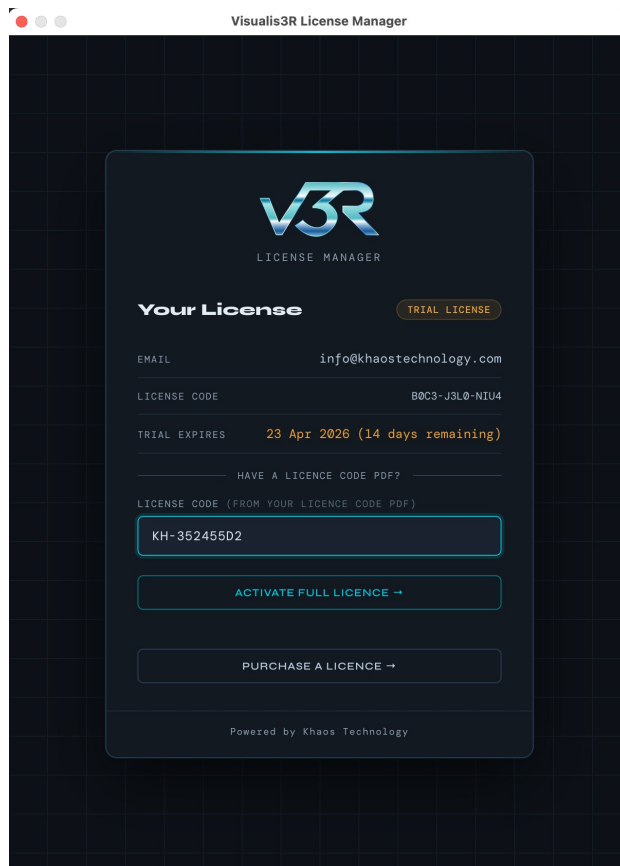

SECTION 8

Activating a Full Licence with Your Licence Code PDF

Your Licence Code PDF contains a unique **KH-XXXXXXXX** code. This code identifies your licence and can be used by *anyone* at your organisation — you do not need to use the purchasing email address.

Your Licence Code PDF

License Manager — enter KH- code to upgrade

STEP 1

Open the License Manager

In Visualis3R, click the **License & Activation** button in the bottom-left sidebar.

STEP 2

Enter your Licence Code

In the **Have a Licence Code PDF?** section, enter your **KH-XXXXXXXX** code from your PDF into the **License Code** field.

STEP 3

Click Activate Full Licence

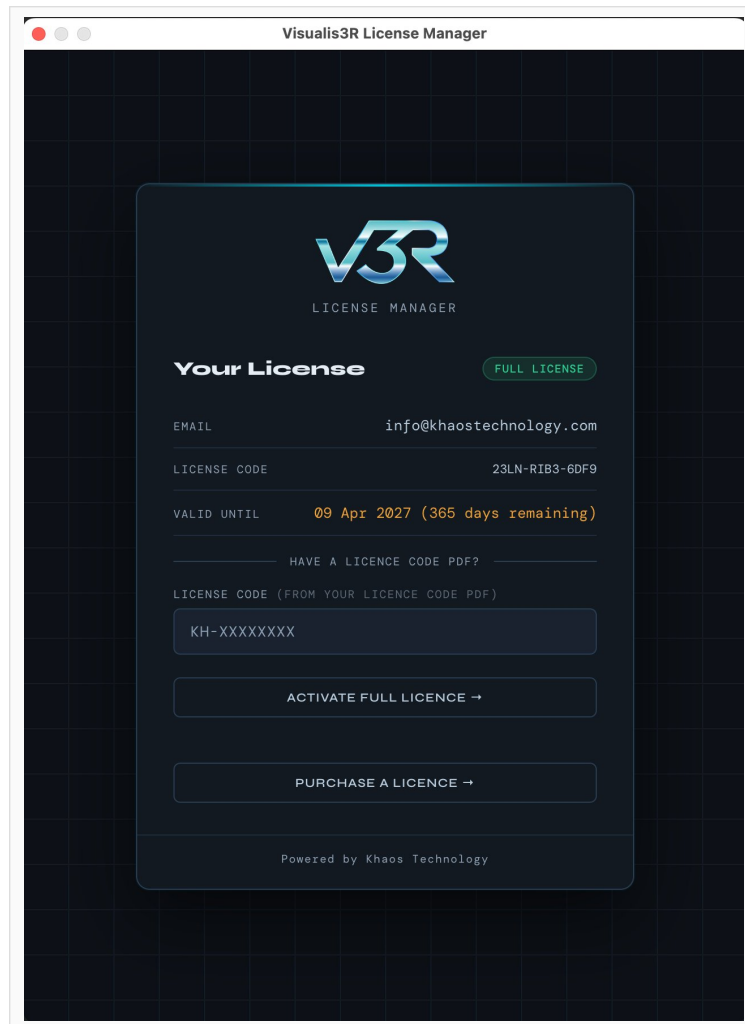

Click **Activate Full Licence** →. An activation code will be sent to *your* email address.

STEP 4**Enter your activation code**

Check your email for the activation code. Paste it into the **Activation Code** field and click **Activate**.

STEP 5**You're fully licensed**

Your licence badge will update to **Full License** with your expiry date. Click **■ Launch Visualis3R**.

Full License badge — Valid Until date and days remaining shown

SECTION 9

Managing Your Licence

Your licence is tied to your machine. Here is what you need to know about common licence management scenarios.

New computer

Contact support@khaosystem.com to transfer your licence to a new machine. Your existing activation will be released.

Trial expired

If your trial has expired, the Licence Manager will open on next launch. Purchase a full licence or contact your distributor.

Offline use

Visualis3R validates your licence online at each launch. If you are temporarily offline, a 7-day grace period applies.

Lost your PDF

Contact support@khaosystem.com with your registered email address and we will re-issue your Licence Code PDF.

Renewal

You will receive a renewal reminder email before your licence expires. Contact your distributor or visit v3r.studio to renew.

SECTION 10

Troubleshooting & Support

"Ghostscript not found"	Ghostscript is not installed or not on your system PATH. Download and reinstall from khaosystem.com/gs/
Activation code not arriving	Check your spam/junk folder. The email comes from support@khaosystem.com . If still not received after 5 minutes, click Back and try again.
"Reference code not found"	Double-check the KH- code you entered matches your Licence Code PDF exactly. Make sure you have synced the licence and it is active.
"Seat limit reached"	Your licence is already active on another machine. Contact support@khaosystem.com to transfer it.
App opens blank / crashes on launch	Ensure your system meets the minimum requirements: macOS 11+ or Windows 10/11, 8GB RAM, dedicated GPU recommended.
PDF does not load	Ensure Ghostscript is installed correctly. Try a different PDF to rule out a file-specific issue. Contact support if the problem persists.
